

INTRODUCING

A NEW PERSPECTIVE  
ON BASS CLARITY

THE NEW M9 CARBINE™  
BRINGS BIG POWER AND  
INFINITE CONTROL

Speed, accuracy, definition... pitch, punch and power; these words get thrown around a lot in bass amp circles. Here's an amp that actually delivers. The M9 Carbine encompasses all the virtues listed above and unveils a clarity you probably never heard from your bass before. Big venue power, 9-band graphic EQ, and onboard compression. The instant attack of the Carbine all-tube preamp and Trans Class™ power. The rest is up to you.
